10th ANNUAL PETPROMISE RESCUE RUN: GIVE A DAY, SAVE A LIFE!

A dog is one of the remaining reasons why some people can be persuaded to go for a walk. ~O.A. Battista

GIVE A GIFT TO THE ANIMALS

Join us for the largest walk/run for homeless pets in Central Ohio on Saturday, May 29th at McFerson Commons Park in the Arena District. Registration begins at 8 am.

You can help reach our Rescue Run goal this year of raising \$50,000. Set up your online fundraising page at firstgiving.com/rescuerrun—it is not too late! Here are some ways your participation can make an impact:

- ♥ Your \$25 registration will neuter a feral cat through the PetPromise City Kitty program
- ♥ Forming a team of 4 friends for \$100 in registration will feed 4 dogs for a month
- ♥ Raising \$250 of pledges through firstgiving.com/rescuerrun will provide vaccinations and neutering for 2 dogs or 4 cats!

GIVE A GIFT TO YOURSELF

Be well and “do good”...take this opportunity to come downtown, log a few miles for your health and commune with fellow animal-lovers to help put an end to pet homelessness!

Famous Amos

Name: Amos

Breed: Brown & White Staffordshire Terrier

Approximate Birth Date: April 2008

Sweet and gentle Amos. He has had a pretty hard life. He hasn't had much good happen to him until April 2010. Before that, Amos was wandering the streets begging for food and affection. The next thing he knew, someone was calling to him. He ran happily to them...and then found himself locked in a cage in an animal shelter where no pit bull has made it out alive. EVER.

But, Amos was destined for greatness. He was so gentle and sweet that the new dog warden could not imagine euthanizing him, so she fought back to try to save him. What ensued through the local media, was a campaign launched to save Amos and other friendly, adoptable pit bulls from automatic death sentences. Thanks to some very special people, the media, and the boy in the middle of it all, Amos, we can now focus on providing him a new life where he will be loved and cared for forever.

Amos is well-socialized and does great with everyone he meets, especially other dogs. He deserves the love of someone very special. Someone who will provide companionship for life. He will be making a guest appearance at the PetPromise Rescue Run on May 29. Don't miss this chance to meet "Famous Amos" live!
