TERMS AND CONDITIONS OF TRAP LOAN

By submitting this application, I agree to the following terms and conditions to obtain the loan of humane cat trap/s from **PetPromise**.

PetPromise loans traps free of charge. A **refundable deposit of \$50 per trap (check or cash) is required upon loan of traps**. Cash or checks will not be deposited or used by PetPromise, but will be returned to the borrower upon timely return of trap/s. **Traps must be returned clean and in good working order.**

Trap deposits will not be refunded if the borrower fails to return the trap within the agreed upon time frame, or upon request of the PetPromise representative. If a trap is lost, stolen or damaged, the borrower agrees to pay for any repair up to and including the cost of replacing the trap if necessary.

Traps may only be used to trap feral or unowned free-roaming cats for the humane purpose of spaying or neutering. Cats must be returned promptly and safely back to the location they were trapped, unless other arrangements are approved by PetPromise. Trapped cats or wildlife will not be surrendered to any animal control facility or agency, or to another individual, nor will they be released anywhere except where they were originally trapped. **I understand PetPromise does not loan traps for the purpose of catching and killing feral cats, unwanted cats, or wildlife**

If trapped cats must be relocated for their own safety, I will obtain approval, instructions on relocation and make such arrangements **before** trapping these cats. PetPromise shall be informed of the re-location site address and new caretaker's name and phone number. **In no case will trapped cats be abandoned or harmed.**

I agree to hold PetPromise harmless from any damages to property, injury to persons or liability resulting from my use of these traps.
